

LIVING OUT LOUD
Colossians 1:3-10

Does How We Live Speak Louder Than What We Say?

- The Trip to Pick-N-Save
- Our body language speaks more than our mouth's
 - Kinesics
 - Non-verbal communication
 - Arms crossed; Hands on hips; Hands in pockets; pat on the back; eye contact; handshake or high five; furled brow; proximity of space (public, social, personal, intimate)

Do We Live At A Standard That People Will Listen To What We Say

- Is there a love for God's people?
- Are we bearing fruit?
- Are we operating with wisdom and understanding?
- Are we growing and honoring the Lord?
