The All Important Keys to  
the church!

- **No specific or selective demographic – we are unique in our makeup**
- **Diverse in our cultural demographic resembling biblical tendencies**
- **Poses certain challenges that require Christ lead and Spirit-filled intervention**

# Brings us to Matthew 28:16-20

- **Christ's Authority means that He has the absolute right and all power to do as He pleases in heaven and on earth: He establishes the church and sets up its demographics**
- **Because of His authority and His intervention, we are commissioned or given a mission...**

# Making Disciples

- **Why do we hold hands to pray, close off the aisles to conclude, walk for the offering, say good morning to one another, state our financial declaration, and say that ‘WE ARE GOD’S FAMILY’?**
- **Disciple is about otherness – mathetes = one who ATTACHES themselves to another to gain practical knowledge by instruction or experience!**

# Making Disciples

- Ephesians 4:16 “as each part does its own work, it helps the other parts grow...the body is healthy and growing and full of love” – reproduction requires more than one
