

THE WAY OF THE EAGLE

PROVERBS 30:19

“The way of the eagle in the air”

ALL YOU NEED IS HIS POWER

- 2 Corinthians 12:1-10
 - V. 9 – “My grace is sufficient (all you need), my power works best in weakness”
- Pride, a Thorn, and torment create weakness that the devil will use but they also open the door for God’s grace and power
- Paul’s words are a paraphrase for a more prophetic imagery

MOUNT UP WITH WINGS...Isaiah 40:28-31

- Isaiah's message of hope is a vision of what God desires to do in our lives when we are weak in Him
- Those who wait/hope/trust in the Lord will have a new empowerment
 - They will soar/mount up high with EAGLES wings.....

THE WAY OF THE EAGLE

- Eagles mate for life – our eternal connection to Christ
- They build nests that last a lifetime – our firm foundation
- They ride into the storm instead of hiding from it – our witness
- They have one major enemy – THE SNAKE
 - The snake attempts to climb to the nest and attack
 - When the eagle catches the snake 2 things happen
 - 1. they will shake the snake to death
 - 2. take the snake high in the air and drop him to his death
 - The Eagle never lets the snake have what it came for

- When we acknowledge our weaknesses God's power has room to work
- When God's power is a work we are stronger in Him using His strength
- When we use His strength and power whatever the enemy tries to do against us he can't because God's grace is ALL WE NEED!
