A Definition of Prayer

“Prayer is what infuses all our efforts and the genuine concerns of our hearts with God’s boundless ability. Prayer is what frames our pressing, short-term issues with God’s eternal perspective, showing us just how temporary – and endurable, and winnable – even our most intense battles truly are.”

Wonderful Peace

by Warren D. Cornell

Far away in the depths of my spirit tonight
Rolls a melody sweeter than psalm;
In celestial-like strains it unceasingly falls
O'er my soul like an infinite calm.

What a treasure I have in this wonderful peace,
Buried deep in the heart of my soul,
So secure that no power can mine it away,
While the years of eternity roll!

I am resting tonight in this wonderful peace,
Resting sweetly in Jesus' control;
For I'm kept from all danger by night and by
day, And His glory is flooding my soul!

And I think when I rise to that city of peace,
Where the Author of peace I shall see,
That one strain of the song which the ransomed
will sing In that heavenly kingdom will be:

Ah soul, are you here without comfort and rest,
Marching down the rough pathway of time?
Make Jesus your friend ere the shadows grow
dark; Oh, accept this sweet peace so sublime!

Peace, peace, wonderful peace,
Coming down from the Father above!
Sweep over my spirit forever, I pray
In fathomless billows of love!
